II. **Library Director’s Report**

**Circulation:** Circulation of library materials decreased 8.86% in August over last year’s levels. The Assistant Director distributed Circulation by IType reports dated August 2014. The Director distributed articles about national circulation trends. M. Moran distributed a Methodology spreadsheet broken down by type of media and library branch. A Computer Group Summary created by M. Wofsey was also distributed.

**Financial:** A financial report for FY15 dated September 8, 2014 showing an ending balance of $2,733,737 was distributed to the Board. The Treasurer distributed the Financial Report from July 2, 2013 – July 30, 2014. The Treasurer will try to accommodate requests from P. Mehta and J. Margolis in regards to back-to-back yearly comparisons and Capital Dividend Gains from State Street being included in future reports.

**November meeting:** As the library will be closed on Tuesday, November 11, 2014 for Veterans Day, it was moved to hold the Trustees Board meeting on Wednesday, November 12, 2014 at 7:30 p.m. This motion was seconded and passed unanimously.

**Staff Meetings:** The Director has scheduled the quarterly Professional Development meetings for October 2, 2014; December 18, 2014; March 19, 2015 and June 18, 2015. The late openings will be publicized through all available channels. Human Resources has stated that staff members who attend and are not regularly scheduled to work will need to be paid. The Director thanked the Board for their generous approval of the one hour delay in opening to accommodate these meetings.

**Staffing:** Interviews to fill Priscilla Consodine’s position will begin this week. The Director will also be hiring two part-time Library Assistants to ameliorate the attrition at Putterham, as well as a Library Assistant III for the Children’s Room at Main, several pages and a monitor at Coolidge Corner. M. Malone has been temporarily promoted to Senior Building Custodian. The Deputy Town Administrator also authorized a temporary hire of a full-time custodian to help out.

**Holiday Party:** After some discussion, the Director was authorized to poll the staff to ask them if they would like a Holiday Party this year, and if so, whether to have it in December or January and for their suggestions/ideas to make it a successful event. J. Vanderkay, R. Healy and K. Livingston have volunteered to help. The Director will report back to the Board next month.

**Brookline Day:** Brookline Day will be held this Sunday at Larz Anderson Park. The Director asked the Trustees to let her know if they would be willing to volunteer.
**Coolidge Corner Acoustics:** The Director will meet with the Director of Public Buildings on Wednesday, September 10, in search of a solution to the acoustics problem at Coolidge Corner. Although the Director reported that this would have already been started, C. Simmons asked for a delay due to the schools reopening.

**Main Library:** Although the Director reported last month that the roof project was finished, when she went to investigate the work herself, it turns out that she was misinformed. The Pierce School roof project was behind schedule, so the contractors stopped work on the library’s roof to complete the Pierce roof before school restarted. The roofs are basically complete except for the edge metal, which should be completed by the end of September. The driveway/parking garage sealing project, however, is complete.

**Delivery:** The Director is in final negotiations with the statewide delivery system Optima to add Coolidge Corner and Putterham to their delivery routes. Hopefully, a contract will be signed by mid-September. Working with Optima will cost approximately $1,000 more than working with New England States Transport, but will save staff countless hours of labor and mileage.

**Friends/Better World Books:** The Director has partnered with the Friends to develop a relationship with Better World Books. As a result, all unwanted donations and discards will be shipped to them, at their expense. BWB will then sell or donate the items to communities in need around the world. The Friends will receive a check for 15% of the net proceeds, and a charity of their choosing will receive 2% of the net proceeds.

**Town:** The Director has completed and submitted the Repair & Maintenance Budget to the Director of Public Buildings and updated the Capital Improvement Plan and submitted it to the Deputy Town Administrator. The Director will begin working on the annual budget next week.

**Café:** KooKoo’s has been reminded about Freedom Day on September 11, and staff is hoping it will be a tremendous success.

**Website:** The Director will meet with the Chair and M. Wofsey this Wednesday to discuss how to proceed with the website redesign.

**Sperber Gift:** The Director submitted the Securities Transfer Instructions to Dr. Sperber’s financial advisor, and the gift of $25,000 is in the process of being finalized.

**Mass. Library Association:** The Director is pleased to report that she has been invited to speak at a session at this year’s Massachusetts Library Association Annual Conference. The session is called: "Challenges in Urban Public Libraries and Solutions."

**MBLC Trustees Orientation:** The Board was reminded that Brookline is proud to host an MBLC Library Trustee Orientation on November 13, 2014 at 6:30 p.m. in Hunneman Hall. The Director will attend, and would welcome any and all Trustees interested in meeting colleagues from other libraries and brushing up on anything new in the Trustee world. In addition, the Staff Programming Committee would be responsible for handling routine programming requests from the public. The Trustee Programming Committee will be responsible for selected events of their choice including, but not limited to, Brookline Reads.
