

Social Media Policy

In keeping with its mission to “use technology to improve access, reduce costs, and increase options in both the kind and variety of services offered,” the Library will implement the use of social media applications.

Policy

The Library reserves the right to monitor content on all of its social media accounts and to modify or remove any messages, postings, or members that it deems, in its sole discretion, to be abusive, defamatory, in violation of a copyright, trademark or other intellectual property right of any third party, or otherwise inappropriate for the service. The Library will not be responsible or liable for content posted by any subscriber in any forum, message board or other area within the service.
