MORE ABOUT THE CHALLENGE

Thank you for participating in the Public Library of Brookline's Summer Reading Program! This year, participants will complete activities and earn badges, all while building academic, social-emotional, and literacy skills.

There are two ways to participate! Track your own progress with this log book or register on Beanstack to join our community-wide effort to work towards a donation to the Brookline Food Pantry. You register, the Friends of the Brookline Public Library donate!

Participants who register online and track activities with Beanstack will also have the chance to be entered into our weekly raffles to win gift cards to local businesses!

To register for Beanstack directly, visit www.brooklinelibrary.beanstack.org. For more information about the challenge, summer programs, and supplemental resources, visit brklib.com/summer20.

Thank you to the Friends of the Brookline Public Library for their generous support of this program. The more participants who register, the closer we get to our goal donation of \$1,500 to the Brookline Food Pantry!

Wherever you participate, we hope you have fun and stay safe.

Warmest wishes, the youth services staff of the Public Library of Brookline
