

# THE PUBLIC LIBRARY OF BROOKLINE

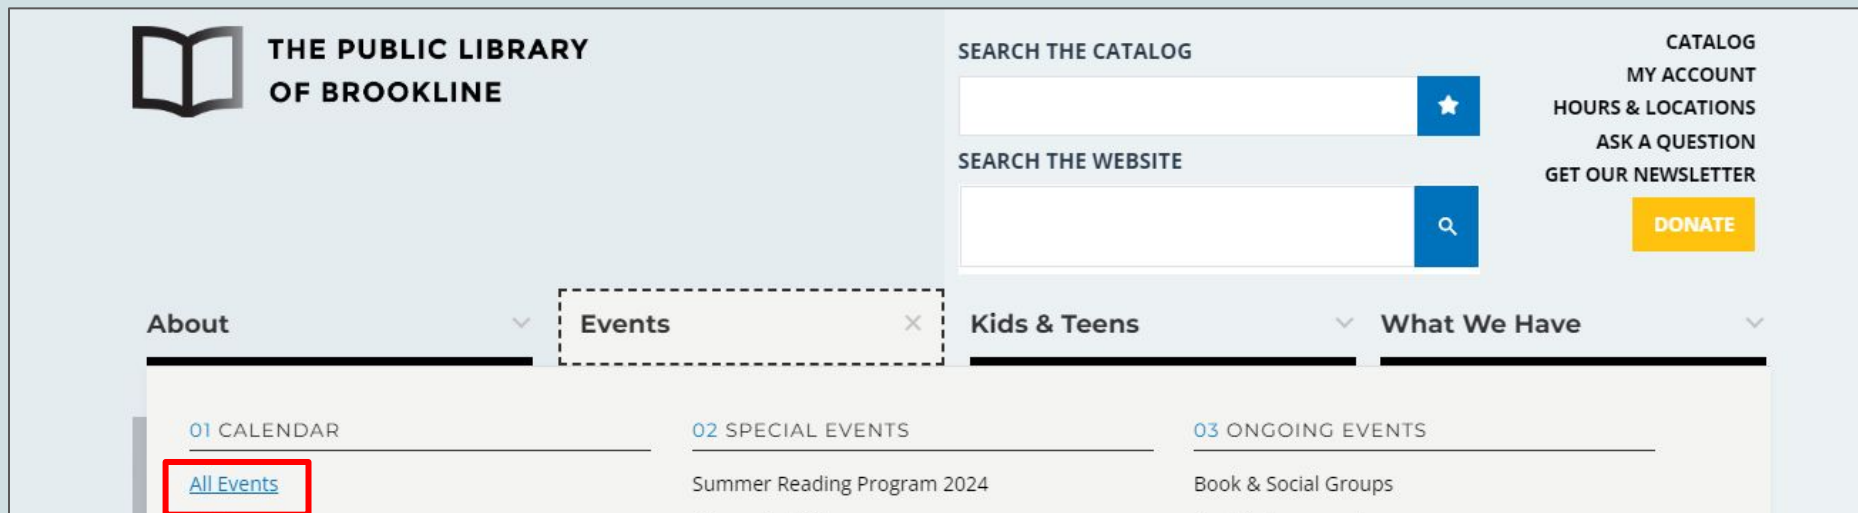

## How to Use PLB's New Calendar System

Effective October 1, 2024

We're excited to announce the launch of our new calendar system! The new calendar will go into effect on October 1, 2024.

Our goal is to enhance your experience at the Library by providing a more intuitive platform for discovering events and programs that match your interests. With this upgrade, finding and exploring library activities will be faster and more enjoyable, ensuring you never miss out on the events you love. We're committed to making your library experience as engaging and user-friendly as possible, and we hope this new system helps you connect with the vibrant community and resources we offer.

As usual, you will be able to access our calendar of events by clicking on the ‘**Events**’ link on our [homepage](#)

Also under the ‘**Events**’ link you will find links to pre-filtered calendars so that you can view events meant for particular audiences and at particular locations!

# Upon clicking 'Events' on our homepage, you will see our new Public Library of Brookline Events landing page

## English Club ELL Conversation Group In-Person

Practice English at the library and meet other language learners!

Join this **informal conversation group** that meets in the **tween room** - on the ground floor of the Brookline Village Library.

Every week we propose a topic that participants discuss in small groups. This program is open to **adult language learners** of all levels.

English Club is drop-in, no need to register, join when you can. New members are always welcome!
